Information that will be provided to buyer by American Real Estate (ARE), its brokers, and agents are considered to be for informational purposes. They may be used for the purpose of relevant investigation and due diligence, however we do not guarantee its accuracy or completeness. ARE recommends buyers to perform a thorough investigation, due diligence, and verification before close of escrow.

In consideration of the information to be presented to buyer of the businesses which may be available for sale or lease, I agree that should I buy or lease or come into possession of any of those businesses within one year from date hereof, that I promise to deal and purchase said business through American Real Estate (ARE) as so they may collect their commission from seller. Commission is understood to be 10% of the purchase price or lease consideration of any of the aforesaid businesses. Should I become the manager, or connected with any of the businesses listed or should I go into business independently at any of the locations listed, within said time, then said act shall be equivalent to and constitute a purchase for the purposes of this agreement. To all of the foregoing I agree regardless of whether the listing is active or not. Should suit be filed to collect any sums due hereunder, I also agree to pay a reasonable sum as attorney's fees in said suit.
